

## John Petrucci - Solo Music Sampler

Suspended Animation: John Petrucci's amazing solo album with Dave LaRue on bass and Dave DiCenso on drums, including guest appearances by Tony Verderosa (acoustic and electronic drums on Tunnel Vision) and Tim LeFebvre (bass on Tunnel Vision.) Listen to Sample MP3s

### Music Sampler - MP3 files

- Jaws of Life: This song sounds like a prelude to Systematic Chaos.
- Glasgow Kiss: An energetic melodic song reminiscent of Joe Satriani at his best.
- Curve: A great example of John's extraordinary lead guitar skills
